

Florida Polytechnic University,
USA

April 9-11, 2018

Welcome to

2018 International Conference on Knowledge Management Systems (ICKMS2018)

2018 International Conference on Knowledge Management Systems (ICKMS2018) will take place at the Florida Polytechnic University, Florida, USA, during April 9-11, 2018. The aim as well as objective of ICKMS 2018 is to present the latest research and results of scientists working in the fields related to Information System and Data Mining. This Symposium provides opportunities for the delegates to exchange new ideas and application through face-to-face discussions, to establish business or research relations and to find global partners for future collaborations.
